

Week 6 Client Meeting Minutes

Prepared by Pavi

August 29, 2017

Chair: Huy Nguyen

1 Attendees

- Chair: Huy Nguyen
- Facilitator: Issac
- TimeKeeper: Sammy
- Recorder: Pavi
- Ben
- Sean

2 Q & A section with Client

2.1 Demo Presentation

- The client was very satisfied with demo.
- Client tested the robot's accuracy to move straight and was satisfied.

2.2 When will we receive the DTD xml file ?

- Client said possibly in the next meeting
- Client suggested that we can create our own xml map file for testing

2.3 General Discussion/Advice from client

- We should have a big red STOP button in GUI
- We should finalise the GUI as soon as possible
- The robot should only move while the button is pressed
- The map should be zoomable
- NGZ have highest priority

3 Next meeting

- Date: 02-09-2017
- Location: Level 4-Room 339-Project Room, IW
- Purpose: Submit next milestone
